Our mission is to raise awareness and money each year to help fight Multiple Sclerosis. Proceeds from the event are used to cover the costs associated with equipment, medicine, therapy and doctor visits. The original inspiration for the MS Birdie Bash and Dinner Event was to help a friend in need. Rick Ebner has been living with MS for more than 25 years. A portion of the proceeds from the MS Birdie Bash are allocated directly to Rick to be used for his fight against MS. We also give out grant money to individuals in the metro area that are in need of help regarding their own fight against Multiple Sclerosis.
